Model: KYR-25C0/AG

Mobile Air Conditioner Systems

The KYR range of stand-alone, portable air conditioning units are a great option for a flexible cooling solution. Fitted with easy roll castors this mobile air conditioning system can be conveniently moved from room to room as required, perfect for warm summers at home or hot days in the office.

This product is not designed for cooling computer rooms (or similar), and cannot be used 24 hours a day. It is a portable device and is designed for 50% on time and 50% off time per 24 hours. Warranty will be void if the product is misused in the incorrect environment.

FEATURES

- Remote control
- High efficiency performance
- Adjustable fan speeds for rapid cooling or minimum noise
- Plug & Play anywhere operation
- A timer feature that will turn the unit on and off automatically
- High efficiency air filters to remove odours and particles
- Anti-mould coating for hygienic operation
- Digital display to show operational settings and temperature
